Responding to the Royal Commission

Bishop Paul Bird has written a letter regarding an update of our Diocesan response to the recommendations of the Royal Commission, including the recommendation of a national redress scheme which comes into effect on 1st July 2018. Copies are available at the back of the Church and on the Diocesan website. www.ballarat.catholic.org.au

For your information

Notes on Horsham's bulletin this weekend from their Parish Council meeting last Thursday night.

* A timetable for Bishop Paul Bird's Visitation to our Parish from August 24th to 27th will be drawn up for him to meet Groups and see as many people as possible

* Our Parish will start negotiations with the Bishop, and Warracknabeal and Hopetoun Parishes, to prepare for a Horsham-Nhill- Warracknabeal-Hopetoun Ministry District to be in place by June 2020. We will follow a format used by Swan Hill, Donald and Hamilton Parishes for their new Districts.

The Australian Bishops say to us **EVERYTHING IS ON THE TABLE** as we discern and pray for the needs of our Church, what we keep, what we need to change or adapt .

The Plenary Council gives us all an opportunity to listen to what the Spirit is saying to the Church in Australia. We are going to build the agenda for the Plenary Council together, through dialogue. Every one of us is invited to listen to God by listening to one another. What do you think God is asking of us in Australia at this time? Everyone's experience of faith and the Church is unique and it is important that the Plenary Council hears responses from as many people as possible.
