**CHILD PROTECTION SUNDAY - SEPTEMBER 9th**

The Australian Catholic Church dedicates this Sunday at the end of Child Protection Week. This year it follows on the formal response of the Australian Catholic Church to recommendations of the Royal Commission, and release of the advice to Church Leaders by the Truth Justice and Healing Council, with factual information on how individual church entities are active participants in the protection/safeguarding of minors and vulnerable adults.

**Collection for Retired and Sick Priests during September**

Creating a secure retirement future for the priests of the diocese is a duty and care in which we can all participate. Fifteen retired priests are currently supported by this Fund. Some live privately, some are retired in units in Ballarat or elsewhere, others live in supported accommodation. We will have a leaving collection today.

**Sick**

Una Bartlett & Cec Harris

**Recent Death**

Ron Beer

**Plenary Council 2020**

Lana Turvey Collins, the Australian Bishops' Plenary Council Facilitator, will be in Horsham on Thursday October 11th for a Parish Meeting, and will stay here for Friday morning to meet with us. When Fr Damien is here next weekend September 8/9 he will speak about "the signs of the times" approach to the Plenary Council so that we can respond as a Parish in an organised and systematic fashion, and give us the process as to the most beneficial way for us to understand what the Plenary Council means, how our input is welcomed and vital to its outcomes, and how to express our input to know that we are being heard.

1. What do you think God is asking of us in Australia at this time?
2. What questions do you have about the future of the Church for the Plenary Council to consider in 2020?
3. Do you have a story of your experience of faith or the Church you would like to share? Submit your responses to these questions via an online questionnaire. You can send now personal or group responses to the website: <http://plenarycouncil.catholic.org.au/resources/have-your-say/>
