*28th Sunday in Ordinary Time*  
**October 14, 2018**

Anti-Poverty Week 14th to 20th October.

This is a week when we call all to do something about poverty. Poverty and severe hardship affect more than a million Australians. Around the world, more than a billion people are desperately poor. The main aims of Anti-Poverty Week are to: Strengthen public understanding of the causes and consequences of poverty and hardship around the world and in Australia; and Encourage research, discussion and action to address these problems, including action by individuals, communities, organisations, governments. [www.antipovertyweek.org.au](http://www.antipovertyweek.org.au) On the 17th October 1987, in the presence of people from every socioeconomic background and continent, a plaque was unveiled at the Human Rights Plaza in Paris. "Whenever men and women are condemned to live in poverty, human rights are violated. To come together to ensure that these rights be respected is our solemn duty"

**Next Weekend October 21st is Catholic Mission Appeal Sunday**

This year we are invited to consider how we can answer Pope Francis' call to be a part of mission, and how we can support mission globally. This year we are invited to help to heal a nation through education in Myanmar. Led by Cardinal Charles Maung Bo, the Church is developing an alternative system of quality education, with comprehensive teacher training programs and the establishment of new schools, especially in remote areas. It has been called an "education revolution", and the potential impact is far-reaching. Our Mission Appeal at all Masses next weekend will be a Leaving Collection.
