Focus on the Scriptures

Jesus entered Jerusalem, not as a warrior in the tradition of King David as many had hoped for, but riding simply on a donkey. The disciples and the crowd applauded him, but they proved fickle in their support.

On the other hand, Jesus remained steadfast in his commitment to non-violent revolutionary change of the religious and political systems so as to establish the reign of God. Why did he renounce marshalling human and angelic warriors to further his cause?

First, Jesus embodied God-for-us, and God does not want the destruction of those he has created out of love. Second, Jesus had a premonition that an armed revolt would lead to the destruction of Jerusalem and the dispersal of the Jewish people (as occurred in 70AD).

Third, Luke's Gospel recounts that as Jesus laboured up Mount Calvary he turned to some wailing women and said, 'Daughters of Jerusalem, do not weep for me, weep rather for yourselves and for your children.' He knew that they suffer grievously in armed uprising. This is seen in barbaric reality in our own time with women being tortured and raped in campaigns of terror, trafficked into sexual slavery, suffering the loss of sons, husband and lovers.

We could take a moment to pray that the Church of the 21st century, successor of the pacifist Church of the first three centuries, may enter on a new period of reflection on these issues, grappling with the desire to protect the innocent, yet always challenged by the man on a donkey, Divine Prince of Peace.

April 14, 2019 - Palm Sunday "I tell you, Peter, before the cock crows this day, you will deny three times that you know me." (Luke 22:34)

How many times have you heard someone make a disparaging comment about Jesus or our Catholic faith? How did you react? Do you remain quiet not to cause a disturbance? Or, do you remain quiet because you believe people will think negatively about you? Pray for the courage to speak up and enter into a respectful dialogue when the opportunity arises
