Who We Are

The Parish of Ballarat East encompasses the worshipping communities of St Alipius in Ballarat East and SS Peter and Paul's in Buninyong; Sisters of Mercy; St Alipius Kindergarten, St Alipius Parish School, Emmaus Catholic Primary School, St Francis Xavier Primary School, and Damascus College. Each community contributes towards the richness of our parish life in its own unique way.

Our Mission/Vision

At Ballarat East Parish we believe that we all share in the call to proclaim the Word of God. We believe that although called to various ministries, by virtue of our common baptism, we share equally in the commission to announce that Word and to embody it by the way we live our lives.

Every community within the parish is committed to the safety, wellbeing and dignity of all children and vulnerable adults.

LENT WEEK 6

The final week of Michael McGirr's Lenten Program focuses on being *Free from fear*. He says: 'you can't measure a journey in miles because there are times when a short walk to the local hospital or to the office of your boss can feel as long as a flight to the other side of the world.' He says that 'Holy Week is full of short journeys that weigh heavily, and we could ask ourselves who are the people in our lives who have metaphorically laid their cloaks across the road to make our journey through life a little easier.' To conclude his forty day activity list, here are the last six items that you may like to consider:

35. Think about Pontius Pilate and ask if honestly you would have done any better.
36. Same with St Peter who denied even knowing Jesus.
37. Turn your phone off at dinner time and leave it off till morning.
38. Go to bed early.
39. Buy Easter eggs that use only fair trade chocolate.
40. Look at the moon. Think that the next full moon means it will be Easter.

FR PETER ON SABBATICAL LEAVE

I have applied to Bishop Paul for three months sabbatical leave and he has kindly given me the time. We have also made arrangements for Fr Kevin Maloney to administer the parish during that time. I will be starting sabbatical after Sunday Mass on 28th of April through to the end of July.

I am grateful to Bishop Paul for the opportunity and Fr Kevin and all those in the parish for whom this may mean some extra duties and responsibilities, but I also know that the Parish is up for it too - *bring on your gifts and talents.*

What is Sabbatical? Traditionally sabbatical is a period of paid leave granted to an employee for study or travel, usually one year for every seven years worked.

One interesting definition: "Sabbaticals are no longer defined by the absence of work - in fact they are defined by the presence of it. Sabbaticals aren't just another word for vacation. They're the new word for an active pursuit of purpose."

For me, I am hoping it will be an opportune time for reflection, destressing, discernment and renewal.

(Fr Peter)

Scripture Readings & Reflections

GOSPEL REFLECTION

by Veronica Lawson RSM

Passion Sunday, Year C (Luke 22:14-23:56)

Jesus of Nazareth is executed in Jerusalem when the city is filled with pilgrims who are there to celebrate the Jewish festival of Passover. A year after his execution, when his friends and family gather once more for Passover, they find new meaning in the celebration of the feast. Every Passover from now on will mark the anniversary of the death of Jesus and will be celebrated through the lens of their experience of his life and death. They share their memories of the one they loved so deeply and reflect on the meaning of his life and death in the light of their wisdom traditions. Every element of the Passover story, the ancient story of God's deliverance of God's people from slavery, will echo with resonances of the life and death of Jesus who is now present to them in a new way. It is not surprising, then, that these final events of Jesus' life were probably the first part of the Jesus' story to be committed to writing. Neither is it surprising that each of the canonical gospels includes an account of Jesus' suffering and death and that each approaches the events from its own particular perspective.

There are several unique features in Luke's account. The most remarkable to my mind is Jesus' readiness to forgive his executioners even while they continue to mock him. Another is his capacity to reach out to others: to "turn towards" the women of Jerusalem, to receive their compassionate mourning, and to express his own concern for them. In line with his overall intention to demonstrate that Christianity is no threat to the Roman Empire, Luke repeatedly points to the innocence of Jesus. In Luke's gospel, Jesus is the rejected prophet who trusts utterly in God and into whose hands he entrusts his spirit. He dies with the same sort of dignity that has characterised his life.

It is easy to let our own hurt find expression in criticism or mistreatment of others whom we fail to understand. It is also easy to retaliate in the face of unjust accusation and insult. It takes more courage than most of us can muster to name unjust treatment for what it is, to truly forgive, to retain our peace of mind in such circumstances, and to trust in the power of God to break through the ignorance that engenders violence. Palestinian activist Lucy Nusseibeh, founder and director of Middle East Nonviolence and Democracy (MEND) and the members of the Israeli Coalition of Women for a Just Peace have learned that lesson and are showing others the way of non-violence. As

we enter into the mysteries of Holy Week, we might pray for the grace to act, like these Palestinian and Israeli women, with the dignity of the Lukan Jesus and thus circumvent the cycles of violence in our own contexts.

READINGS FOR NEXT WEEK

Easter Sunday, Resurrection of The Lord, Year C

First Reading: Acts 10:34, 37-43

Second Reading: Colossians 3:1-4

Gospel (John 20:1-9)

It was very early on the first day of the week and still dark, when Mary of Magdala came to the tomb. She saw that the stone had been moved away from the tomb and came running to Simon Peter and the other disciple, the one Jesus loved. 'They have taken the Lord out of the tomb' she said 'and we don't know where they have put him.'

So Peter set out with the other disciple to go to the tomb. They ran together, but the other disciple, running faster than Peter, reached the tomb first; he bent down and saw the linen cloths lying on the ground, but did not go in. Simon Peter who was following now came up, went right into the tomb, saw the linen cloths on the ground, and also the cloth that had been over his head; this was not with the linen cloths but rolled up in a place by itself. Then the other disciple who had reached the tomb first also went in; he saw and he believed. Till this moment they had failed to understand the teaching of scripture, that he must rise from the dead.

Question of the Week

When have you felt that you betrayed the confidence of another, as Peter did when he denied Jesus?
