### Plenary Council – National Theme for Discernment #6

How is God calling us to be a Christ- centred Church that is  
Open to conversion, Renewal and Reform? This National  
Theme for Discernment is inspired by the voices of the  
People of God who expressed a desire to do things  
differently in response to Christ and the experience of our  
people, accepting that faithfulness to tradition requires  
change that is both personal and communal.

We pray this week for the countless people forced into  
modern forms of slavery, that international action will set  
them free from their bondage.
