Prayer for the gift of rain, for the people affected by drought and bushfires and for the support services.

Eternal God, in wisdom and love You created our earth to sustain us and give us life

We turn to you now in faith, hope and love, asking you to look with favour on our drought –stricken land, on our starving animals, on our failing crops.

Strengthen, sustain and give new heart to our farmers and to all who are affected by drought; be with those who support them.

In your loving providence send abundant rain and restore our parched earth.

Father of all compassion, hear our prayer through Jesus Christ your Son, in whom the promise of new life has dawned, and through the power of the Holy Spirit, the Lord the giver of life; Renew your faithful people; Renew the face of the earth.
