Shirley, 36, is an indigenous Manide woman living in a remote province of the Philippines. She is a mother of four and the sole breadwinner of the family, as her husband is sick. But Shirley was struggling to support the whole family and keep her children in school. With Caritas Australia's support, Shirley trained to become an indigenous health worker and a leader in her community. She has learned to supplement her income as is able to feed her family. The program has also helped Shirley's children with school fees, uniforms and supplies
