#### Project Compassion

Indigenous minorities in the Philippines face regular discrimination and disadvantage. Manide woman, Shirley faced challenges supporting her children and sending them to school. With Caritas Australia's support, Shirley's life has been transformed.

**Please donate to Project Compassion 2020 to help people like Shirley, and her children gain confidence and respect within their community.**

**Let's Go Further, Together.** Boxes and donation envelopes are available in church foyers for collection This project held during Lent helps and supports the world's most vulnerable communities, to help to end poverty, promote justice and up hold dignity.

#### Open to conversion renewal and reform

Not everybody sees the problem the same way. When we really listen to what others say we are listening to what Jesus is saying, we need to be open to all expressions and not worry about the size of the problem. Lead by example, concentrate on those we encounter, reflect on what is said in gospel, work with all people around us. What we say and do can affect others in ways that only God knows, we have been chosen to be a reflection of Jesus to grow together in a community to be Christ like and the rest will follow. Encourage each other to follow these steps and listen to all who are open, trust in God to help us. A group project that is community driven and acted on will bring better understanding of the role of each person in the community. Include all in the activities, remembering that we each have a set of skills and include all who want to be involved, focus on change with others and for others. Some will feel confused, worried and inadequate they need support and help from us.
