**A LETTER FROM THE CATHOLIC BISHOPS OF VICTORIA**

*(this is a section of the letter sent out by the Victorian Bishops advising of the immediate suspension of public liturgies)*

18 March 2020

Prayerful greetings to the people of God across Victoria, This morning, the Prime Minister announced that non-essential indoor gatherings will be limited to 100 people, and outdoor events of more than 500 people will be disallowed, effective today. Given the seriousness of COVID-19, we support this measure as being responsible and sensible, and we encourage everyone to follow public safety guidelines respectfully. The Bishops of the Province of Victoria have given this prayerful and considered reflection, and have determined the following actions:

- Immediate suspension of public liturgies, celebrations of the Mass, until further notice.
- All other gatherings are suspended. For clarification of any concerns, please contact your local diocesan authority.

We are very aware that this restriction will be particularly difficult for families who are planning liturgies such as funerals, weddings and baptisms. At this time, so long as appropriate precautions are able to be put in place (such as distancing between participants), it may be possible for these liturgies to proceed with a carefully limited congregation. Deferring these liturgies may also be an option that is offered to families. In light of this, all Catholics in Victoria are dispensed from their Sunday obligation until further notice (canon 1248). We encourage you to continue active participation in the life of the Church, through activities such as time in personal and family prayer, reflecting on the Scriptures, making a spiritual communion, or participating in a Mass online (<http://bit.ly/MassOnDemand> or <https://melbournecatholic.org.au/Mass> or [www.wordonfire.org/daily-mass](http://www.wordonfire.org/daily-mass)).

**Plenary Council 2020: National Theme for Discernment – March:**

How is God calling us to be a Christ-centred Church that is a joyful, hope-filled and servant community? This National Theme for Discernment is inspired by the voices of the People of God who shared a passion for participating in the missionary nature of the Church and desire stronger support, involvement and formation among all the baptised who make up the Church.

**In line with government directives aimed at slowing the spread of the coronavirus and safety measures being undertaken throughout our communities, all places of worship remain closed, including chapels.**

## What the difference between the Parish and Presbytery accounts?

It is a long-standing practice within church administration that a parish operates 2 separate and distinct bank accounts. They are titled -

- Parish account
- Presbytery account

## The Presbytery Account:

The Presbytery is generally the first collection (cash) taken up at Mass and this is **fundamentally for the upkeep of the priest**. This collections funds the priests –

- Stipend
- Motor vehicle
- Health Insurance
- Retirement allowance (in lieu of superannuation)
- Recurrent travel expenses eg. fuel, insurance, tyres, servicing, registration etc
- Household expenses such as food and drink
- Payment to a housekeeper, although this is not common
- Fixed presbytery costs such as telephone, household requisites, heat, light and power, minor repairs, garden etc.
- Levies to the Ballarat Clergy Assistance Fund
- Other priests “supplying”
- Support for the Diocesan Bishop in running his home and like costs

Average presbytery running costs for a fully stipend priest generally average between \$53k - \$58k

### Average Presbytery running costs effective from 1/7/19

Presbytery Expenses	PRIEST
Stipend	24000
Motor Vehicle	5760
Health Ins	2200
Retirement	900
Supply	500
Travel	5000
Levies	6500
House Expenses @\$225pw	11700
<b>TOTAL</b>	<b>\$ 56,560</b>

Ballarat Priests operate a cooperative scheme whereby all priests are paid the same stipend, irrespective of where they are posted or the capacity of the presbytery account to fund the costs. These parishes are subsidised by the larger parishes who collect more than the average amount.

There are currently 13 parishes being subsidised by the surplus from 14 of the larger parishes.

The Presbytery account does **NOT** fund capital works. Major repairs and building upkeep are paid by the parish.

## The Parish Account:

The parish account is usually the second collections and is commonly referred to as the envelopes or sacrificial program.

This account is used to fund –

- Liturgical costs
- Pastoral programs including the engagement of pastoral associates
- Repairs and maintenance of ALL parish properties
- Administrative costs eg phone, photocopier, printing etc plus any staff employed
- Diocesan Levies that fund diocesan operations as well as special costs like seminary education, group insurances etc
- Insurance and recurrent property costs such as utilities, rates etc
- Subsidies to schools (if any)
- Loan repayments
- Funding capital projects such as major refurbishments or acquisitions
