## Catholic Social Services Victoria on Warrnambool

Catholic Social Services Victoria, representing Catholic social service organisations in this State, has released a report about social service and infrastructure needs in Warrnambool. Its observations and recommendations include the need to improve public transport, resourcing for social services and mental health services, and reducing homelessness and housing stress. It says that digital access and literacy must be improved to increase community connections, particularly for older people and those who are socially isolated. The report can be seen at [css.org.au](http://css.org.au)

## A Message From Mercy Place

We are advised that when we are once again able to celebrate Thursday morning Masses at Mercy Place both the celebrant and visiting members of the congregation must have provided evidence that they have been vaccinated against influenza this year.

## Did You Know?

Father Michael has been writing weekly homilies, even though no one is in the church to hear them. They are still being published on the parish website: *Warrnambool West and Dennington* at [www.ballarat.catholic.org.au](http://www.ballarat.catholic.org.au)
