

THE VISION FOR HISTORY

The vision for the history of St Joseph College Mildura is continued with the installation of a bronze statue of Catherine McAuley in the reception area of the College.

The idea for this bronze has been beautifully re-created with the assistance of College Heritage Officer, Mrs Belinda Gemits and Mr Kyle Carrington who has built the plinth for the statue. It provides a welcoming addition to the area and serves as a reminder to everyone, staff, students, families and the Sunraysia community, of our heritage and history.

Thank you to our Principal, Marg Blythman for organising this elegant addition and the planning that went in to our very own reminder of how far Catherine's vision has come.

Marg and Parish Priest, Fr Matt Thomas
