## **Have YOU thought? Baptism**

*Whilst today we celebrate the feast of the Baptism of the Lord, it is also a reminder and celebration of our own Baptism. Today's gospel is a reminder that we are baptised with the Holy Spirit not merely with water. To be baptised with the Holy Spirit means that we are drawn into communion with God and we are also empowered by that communion to make a difference in the world – to reach out a helping hand to those in need and to proclaim the good news of Jesus through our actions and our words.*
