LIVING GOSPEL

Prayer

In the midst of an extremely hectic 24 hours where Jesus effectively launches his public ministry, Jesus takes time to go aside to a lonely place and pray. The passage tells us that it was 'long before dawn' that he did this. It may have been his usual practice to pray early in the morning or he may have been restless after the events of the previous day and the thought of what lay ahead. Nevertheless, Jesus provides us with a model of using prayer to reflect on events and to prepare ourselves for the day ahead.
