

Product sourcing guide

February 7, 2020

To support you in establishing a slavery-free staffroom, a list of suppliers is provided below where you can purchase delicious slavery-free-certified tea, coffee and drinking chocolate for your staffroom.

Some of these sources are major supermarkets and others are office suppliers. The list will be updated as new products and suppliers are discovered. Please let us know if you come across any other products or suppliers that we can include as part of this Sourcing Guide. Email the Archdiocesan Modern Slavery Act Compliance Committee at ben.smith@aohatas.org.au with your supplier and/or product details.
