St Michael's Ride-A-Thon for Cancer Research

ST MICHAEL'S
DAYLESFORD
EXCELLENCE - NURTURE - COMMUNITY

Friday, 19th March 2021

Our mission is to raise as much money as possible for 'Jimmy's Allsorts – Fighting cancer on two wheels' Murray to Moyne cycling event (<http://jimmysallsorts.com.au>). Funds will then be 100% donated to the work of the Fiona Elsey Cancer Research Institute.

Our Ride-a-Thon will take place at our school around our entrance loop (440 metres) and will be a tag team event for our St Michael's School community (more information will be sent closer to the date). We want to ride, run and walk as many kilometres as possible on this exciting day. We will also have our guest speaker Jim Waight to present to our student community before starting the Ride-A-Thon.

We are hoping businesses around Daylesford and beyond will sponsor us a \$1 for every kilometre we ride, run and walk as a school.

How to be a sponsor...

- Sign-up by scanning the QR code below or going to <http://bit.ly/3pi4BXF>. This will give us enough information to make contact with you regarding the event.
- During the event, we will document the amount of kilometres we ride, run or walk so that we get an accurate recording to share with you all.
- After the Ride-A-Thon event has taken place, we will make contact with you and let you know the total amount of kilometres we rode, ran or walked as a school and where you can please make your donation. *Please note: The \$1 a kilometre is a fun incentive for the student community, however, any monetary contribution will be appreciated.*

With thanks from the...
