# St Mary's Noticesheet

St Mary's Colac is a community of believers, who strive to bring Christ's good news to the people of Colac and district. Through service, caring and love we aim to create an environment of respect and understanding in which every one can grow. We acknowledge the Gulidjan, people, the Traditional Custodians who have walked upon and cared for this land for thousands of years.

### Message from the Custos of the Holy Land

#### Regarding the Good Friday Collection 2021 (Good Friday Special Collection).

Throughout 2020, in the Holy Land as in the rest of the world, we have been severely tested by the pandemic which has paralyzed a large part of economic activities, blocked the movement of people and therefore also of pilgrims. It has brought suffering to many and to most families a state of poverty which has plunged many people into loneliness and isolation. We have not stopped taking care of our parishes, with their faithful, whether they be Arabic, Hebrew or Greek speaking locals, be they migrant workers, foreign workers or refugees. The celebrations – albeit with many restrictions – have continued. The Sacraments continued to nourish the lives of our faithful. The commitment to catechesis has continued. The care of the sick has also continued, including those with Covid-19, and the accompaniment of the dying has continued too, so as not to abandon them to a death without human and Christian dignity. This year, therefore, even more than in previous years, we friars of the Custody of the Holy Land make ourselves beggars and appeal to the generosity of your hearts. Please help us according to your means and possibilities, help us according to the generosity of your heart, help us to help others.

**Fr. Francesco Patton OFM**

#### PROJECT COMPASSION: AN AUSTRALIAN ICON

For over half a century, generations of Australians have participated in Project Compassion. The initiative has raised more than \$500 million since it began in 1965 – making it one of the nation's longest running charity campaigns.

For many, Project Compassion's iconic collection boxes have become a nostalgic part of their lives – a reminder around home, school, church and the community that it's time to support Caritas Australia's annual appeal.

Margaret Moriarty can't remember a time without a Project Compassion box in her house during Lent.

***"Donating to poorer counties was very important to my mother and father. My children have grown up with the same iconic boxes in our home and my grandchildren are continuing the tradition," Margaret says.***

Throughout five decades of natural disasters, conflicts and crises, Caritas Australia has worked alongside vulnerable communities with the generous support of Australians. Project Compassion has also helped with access to education, health services, agricultural training and through programs that reduce maternal and infant mortality. During the COVID-19 pandemic, local partnerships have helped Caritas Australia to respond quickly to minimise the spread of the coronavirus.

This year, Caritas Australia has presented five stories from people striving to 'Be More' – just a few stories amongst the millions of people who have been helped through Project Compassion.

We would like to thank generations of our supporters nationwide for their ongoing generosity, which allows us to move forward with lifesaving strategies to tackle new challenges.

**Project Compassion: Our Boxes/Envelopes can now be returned.**

**Holy Thursday is a most appropriate time.**
