Project Compassion Sunday - 28th February 2021

Margret, 39, is a teacher at a vocational school for deaf students in the Solomon Islands. She was born deaf, so she knows the challenges it poses to education and employment. Then Tropical Cyclone Harold damaged the school and its vegetable garden as the threat of COVID-19 loomed. Margret's school now has enough water for its students and the capacity to cater for more, and is now planning to boost food security through increased agricultural production. Please donate to Project Compassion 2021 and help people living with disabilities in the Solomon Islands gain access to education and clean water, empowering them with skills to protect our common home. You can donate through Parish boxes and envelopes, by visiting www.caritas.org.au/projectcompassion or phoning 1800 024 413.
