Have you thought? Those who have not seen.

Jesus says to Thomas, 'You believe because you can see me. Happy are those who have not seen and yet believe.' That's us! Jesus' words in the gospel are meant for people like us living today. We are not in the position of Thomas and the other disciples who were able to see the risen Lord face to face and so convince themselves of his rising. The gospel recognizes that to believe in the resurrection without that physical, personal encounter with Jesus is to be celebrated even more. Happy are we – blessed are we – who have not seen and yet still believe!
