Reminder about our collections during Mass

We often get people asking which collection is which during mass.

The **1st Collection** is cash for the Presbytery. This is for the sustenance of our Priest with a contribution of 13% to provide support for our retired priests & the Ballarat Diocese.

The **2nd collection** is the planned giving envelopes and cash for the Parish. This goes towards the administration of the Parish & running costs, such as utilities, stationery, salary, phone & internet subscriptions, gardening and maintenance etc.

Please don't hesitate to contact the office for more clarification & we thank you all so much for your ongoing support.

**SCRIPTURAL
CONTEXT**

Post-resurrection accounts

All four gospels include post-resurrection appearances of the risen Jesus. The gospel of Mark – historically, the first written – gives the briefest account of the resurrection discovery and it is only in a later addition to the gospel that a post-resurrection account appears. However, by the time the gospel of John was written, some 20-30 years later, the theological importance of the resurrection had gained more significance as it became more obvious that Jesus' return to the world was not going to happen within the foreseeable future. The gospel of John devotes two whole chapters to the post-resurrection appearances of Jesus.
