HISTORICAL CONTEXT

Mary Magdalene

Mary Magdalene, or Mary of Magdala, plays an important role in the gospel accounts of the resurrection. She was obviously a significant follower of Jesus, being named as a witness to the crucifixion, discovering the empty tomb and the first to encounter the risen Christ. One would think that she would hold a prestigious place in the Church, but for many years she was confused with another character identified in the gospels and was portrayed as a prostitute and sinner. Mary is named in each of the four gospels and not once is it indicated that she was a sinner or prostitute. She has been a victim of mistaken identity for 2000 years.
