**Sprout—a celebration of Spring Daylesford:** St Peter’s Daylesford participated this weekend in the community initiative of Sprout—that reflects the notion of new life, growth & cheerfulness of Spring. Shop fronts in the main street of Daylesford have been transformed with gorgeous floral decorations from over 40 community groups & their local gardens. St Peter’s collaborated with Gloss Hairdressers with flowers from the church & presbytery grounds. The talented Ann K from St Peter’s came up with the idea of a bridal theme & made bridal displays to go with the flowers. Many thanks Ann for all your help.

**The Bridge Mall—Making a Scene at Christmas :** One of the earliest traditions of Christmas is the Nativity which dates back to the 13<sup>th</sup> century. This year, for the second year running, the people of Ballarat and district can visit Bridge Mall and see **Making a Scene at Christmas** - a unique display of over 500 Nativities owned and collected by three passionate Christmas people. For over ten years the three have been combining their growing collections to provide an alternative view to the commercial Christmas. They will be in a shop in the Bridge Mall from 4 - 5 & 11 – 19 Dec, open from 10:00 – 5:00 daily. There is no cost to come and visit the display though we welcome gold coin donations which go towards covering

**Letter from Bishop Bird November 18, 2021**

Hello Everyone,

As you may have seen, the Victorian Government has announced new Covid regulations to come into effect from 11.59pm tonight (Thursday 18 November 2021). The government website has not yet been fully updated. However, a government page gives a summary of key points. Under the heading “Weddings, funerals and worship”, the summary is as follows. “If everyone present is fully vaccinated, you can host or attend weddings, funerals and religious ceremonies at places of worship with no capacity limits or density limits. (Vaccination requirements will apply from the age of 12 and 2 months, unless a medical exemption applies.) If vaccination status isn’t being checked, these events are restricted to one person per 4 square metres up to a maximum of 50 people per facility. The cap at funerals doesn’t include those required to conduct the funeral and the cap at weddings doesn’t include the marrying couple, celebrant or photographer.” I note in particular that there are no capacity and density limits for gatherings where everyone present is fully vaccinated. I note also the increase in the limit to 50 people where vaccination status is not being checked. For further details, you could go to the government website [www.coronavirus.vic.gov.au](http://www.coronavirus.vic.gov.au) as it is more fully updated in the coming days. I renew my thanks to you all for continuing to support one another through these trying times. As we take another step towards being able to gather for worship as a whole community, may the Holy Spirit unite us more and more with Christ and with one another.

God bless you all. Bishop Paul
