12th December 2021 3rd Sunday of Advent

Focus on the Scriptures
The third Sunday of Advent used to be called Gaudete (be joyful) Sunday. It provided a mid-term break within a period of austerity or penance in preparation for Christmas. Advent is no longer a penitential period, but rather a reflective time of expectation and hope. The invitation to rejoice nonetheless remains part of the Advent liturgy. This invitation is explicit in the first two readings and implicit in the gospel.

There are ethical demands in the time of waiting. Three times John the Baptist is asked, "What must we do?" In line with Luke's emphasis on the universality of God's saving power, the responses are directed to "all the people". Those with even minimal food (something to eat) and clothing (two tunics) are told to share. Tax agents, caught up in a system notoriously open to abuse, are to be honest. Soldiers are given three directives that provide some insight into the negative way the military was perceived: no extortion, no blackmail, and no complaints about wages. The third directive probably derives from the fact that soldiers were better off financially than most others. It is in no sense a prohibition on demands for just wages. In Luke's depiction of John, there is no critique of the harsh Roman taxation system or of the presence of the Roman army. Here as elsewhere, Luke seems to be seeking acceptance for the Christ movement within the Roman Empire by demonstrating that it is no threat to the occupation and its values.

Luke's John situates himself in relation to Jesus, the anointed agent of God's liberation. John describes the one to come in much more fiery terms than the Lukan Jesus turns out to be. His description is more like a self-portrait, especially in light of the fact that John addresses the crowds who flock to him as a "brood of vipers" or "children of snakes" (Luke 3:7). In contrast with John's water-baptism "for the forgiveness of sins", Jesus will "baptise" with the Holy Spirit and fire. Fire, as we well know in this dry land of ours, is a challenging symbol, both friend and foe. In the first-century Manual of Discipline from the Qumran community by the Dead Sea, water, refining by fire, and "a holy Spirit" are listed together as the instruments of God's saving and purifying action.

John, who may have been a member of the Qumran community, presents his own role as preparatory to that of Jesus, the Spirit-filled, powerful and enduring agent of God's refining and purifying work in the world. We know our own ongoing need for a "baptism" with the Holy Spirit and fire. We prepare the way by doing what we must: sharing our goods, treating others with dignity, justice and forgiveness as well as responding to the cry of the earth. The question "What then must we do?" is one that we might ask ourselves each day in the face of a changing world order.

Praying with Pope Francis The Pope's Worldwide Prayer Network (Apostleship of Prayer) is an international movement that is more than 170 years old. Each month, the Pope puts forward a prayer intention and asks Catholics around the world to join him in prayer. These intentions cover all sorts of areas of life, encouraging faith, renewing hope and calling us to loving service. Praying each month 'The Pope Video' forms part of the Pope's Worldwide Prayer Network – view at www.thepopevideo.org. Pope's intention for December: **Evangelisation - Catechists:** Let us pray for the catechists, summoned to announce the Word of God. May they be its witnesses, with courage and creativity and in the power of the spirit. November:
