Have you thought?
Do not be afraid

When Peter is overcome by the catch of fish and falls on his knees before Jesus, the response Jesus makes is to simply say, 'Do not be afraid'. This phrase is the most often repeated phrase in the Bible. It appears more than 60 times throughout the Bible – depending on which translation one uses. This is an extraordinary number of times for the one phrase to appear. And the references stretch from the first book, Genesis, to the last, Revelation. It is God's message to us echoing throughout the Bible: Do not be afraid!
