**Voting Guide for Victorian Elections:** Our Victorian bishops say it is important to carefully and prayerfully discern who best deserves our vote this state election. “As Pope Francis outlines in *Fratelli Tutti*, we are all called to ‘direct society to the pursuit of the common good’, and voting thoughtfully is part of this duty ... There is no Catholic political party and no single way that a Catholic should vote. It is important that we each carefully and prayerfully discern who best deserves our vote. This may be based on many considerations – past performance and promises of action or funding to come. Our faith calls us to seek parties and individuals who will enact laws that advance the common good.” Information to help “navigate these issues of significance” is at: [www.melbournecatholic.org/stateelection2022](http://www.melbournecatholic.org/stateelection2022) as our bishops ask to “join with us in praying for the whole community at this time, including for those who seek office and their families”.

**Australian Catholics – Summer Edition:** Its “Vocations” theme draws on Pope Francis’ words: “As Christians, we do not only receive a vocation individually; we’re also called together. We are like the tiles of a mosaic. Each is lovely in itself but only when they’re put together do they form a picture.” Please pick up your free copy.
