

ANZAC Day

On April 25, people paused to reflect on ANZAC Day, in honour of those who have served our country both past and present. Students represented Loreto College Ballarat at various ceremonies, including the Dawn Service and the 11am service. The College also came together in the morning of April 26, to reflect once again on those who have paid the ultimate sacrifice for our country to preserve our way of life, with a morning ANZAC service. Lest we forget.
