

## ANZAC Day

Australians commemorate Anzac Day on April 25 every year. Anzac Day is a time for all Australians to recognise the service men and women who have served our country in all conflicts, wars and peacekeeping operations.

Masses were celebrated around the diocese in honour of this day. East Wimmera Parish celebrated Mass at 8.30am at St Mary's Donald. Many thanks to Jean Hogan for her contribution to the Anzac tradition with flags from both Australia and New Zealand.

Lest we forget.
