**Words of Institution**

*The words of the gospel passage in which Jesus takes bread and wine and blesses them will be familiar. They are the words used at the consecration of the bread and wine during the Mass. The words and actions of Jesus at the Last Supper are regarded as instituting the celebration of the Eucharist. Jesus took an act that was familiar to the Passover meal and gave it a new meaning and a new significance for his followers. What had been a memory of escape from slavery in Egypt became an ongoing reminder of Christ's continued presence in the Eucharist and in the Eucharistic community.*

**Praying with Pope Francis**

The Pope's Worldwide Prayer Network (Apostleship of Prayer) is an international movement that is more than 170 years old. Each month, the Pope puts forward a prayer intention and asks Catholics around the world to join him in prayer. These intentions cover all sorts of areas of life, encouraging faith, renewing hope and calling us to loving service. Praying each month 'The Pope Video' forms part of the Pope's Worldwide Prayer Network – view at [www.thepopevideo.org](http://www.thepopevideo.org).

**Pope's intention for June - for those fleeing their own countries:** *Let us pray that migrants fleeing from war or hunger, forced to undertake journeys fraught with danger and violence, may find welcome and new living opportunities in their host countries. Lord, hear us.*

*Laudato Si'*

Human beings too are creatures of this world, enjoying a right to life and happiness, and endowed with unique dignity. So we cannot fail to consider the effects on people's lives of environmental deterioration, current models of development and the throwaway culture. (Laudato Si' 43).

**Laudato Si': Everything is connected**  
In his encyclical Laudato Si', Pope Francis reminds us that everything is connected. Our relationship with nature is not separate from our relationship with God and others. This concept of integral ecology encourages us to care for the Earth and each other. It calls us to action

**"Use Cloth Bags"** *Did you know? Plastic bags can take hundreds of years to break down. They can also be deadly for our wildlife. Take an earth-friendly reusable bag with you everywhere you go!*
