## Safeguarding Sunday

This weekend, the Catholic Church in Australia marks Safeguarding Sunday, on which we pray for those who have been abused, their families and supporters.

We recognise and apologise for the harm done by priests, religious and lay people in Church settings. Rebuilding trust and confidence in the Church requires constant work and vigilance. We recommit to cultural change that will help the Church be a place that respects the dignity of all children and adults at risk, and empowers and listens to all people, especially those who are vulnerable. You can find out more about the Church's work in this area at:
