A range of social media networks and online forums offer choices for you to connect with the wider Catholic community. In addition, there are links to resources to support you in prayer and spirituality and to help you explore your calling in life.

There is information about reflection days, festivals, immersions and pilgrimage experiences you can take part in to grow in your faith and qualifications available in theology, ministry formation, training and much more.

We hope that this document will help you to deepen your faith and find ways to live out your faith in your daily life.

World Youth Day

Youth from Seoul and around the world will unite in the Holy Spirit and gather for World Youth Day between August 3 – 8, 2027. The main logo of WYD Seoul 2027 features "Seoul," the capital city of Korea, in traditional Korean calligraphy. Utilising traditional brush script and gracefully combining Hangeul, characterized by its geometric forms, with English, it contains the letters W, Y, and D. This coexistence of Seoul and WYD shows our hope for a harmonious convergence of East and West.

Take courage! I have overcome the world.

Jn 16:33

Rejoicing in hope (38th WYD theme) and never growing weary (39th WYD theme), become a witness to the Christ you have encountered (40th WYD theme) and gather your courage (41st WYD theme) to embark on the pilgrimage to Seoul!

Pope Francis chose John 16:33 as the theme for World Youth Day Seoul 2027. This verse, spoken by Jesus to his disciples at the Last Supper, reminds us of the irrevocable truth that despite the challenges of the world, Christ has already conquered fear, sin, and death. It is a call to hope and courage rooted in faith in the resurrection—not a passive optimism, but a bold confidence grounded in the living presence of Christ.

Young people across the globe today are confronted with a wide range of challenges, including conflicts, economic hardship, and an uncertain future. Thankfully, at WYD Seoul 2027, they can receive the joy of becoming the "salt of the earth and the light of the world." Through their encounters with one another they will experience unconditional love, thereby gaining the strength to be sent back out into the world as "pilgrims of hope" and "courageous missionaries," boldly putting into practice the joy of the Gospel they have discovered.
